SECTION 2 - SPECIAL TERMS AND CONDITIONS

2.1 PURPOSE: TO ESTABLISH A CONTRACT FOR THE COUNTY

The purpose of this solicitation is to establish a contract for the purchase of uniforms for Court employees.

2.2 TERM OF CONTRACT

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter which is distributed by the County's Procurement Management Division, and contingent upon the completion and submittal of all required bid documents. The contract shall remain in effect for sixty (60) months and upon completion of the expressed and/or implied warranty periods.

2.3 METHOD OF AWARD

Award of this contract will be made to the responsive, responsible bidder who submits an offer on all items listed in the solicitation and whose offer represents the lowest price when all items are added in the aggregate. Items that will be provided to the County at no cost must show a zero (0) in the price line. If a bidder fails to submit an offer on all items, its overall offer may be rejected. The County will award the total contract to a single bidder. Manufacturers/styles awarded shall not be substituted for any other product without prior written approval of the county, see paragraph 2.12 for the sole exception.

Awarded bidder shall have a business location within Miami-Dade County capable of providing one stop shopping of the uniforms awarded. Proof of such will be a copy of the Local Business Tax Receipt for said location. One stop shopping is defined as an establishment at which employees will try on and purchase awarded items in regular sizes (S – 2XL) with all adjustments and patches applied.

If the primary bidder defaults, the County shall have the right to negotiated with the next responsive, responsible bidder.

2.4 PRICES

The prices proposed by the awarded bidder shall remain fixed for a period of no less than twelve (12) months after the commencement of the contract. After this period, the bidder may submit a price adjustment to the County based on documented adjustments by the product manufacturer. Acceptable documentation for an adjustment may be an email or letter from the item manufacturer to its distributors notifying them of an adjustment. Adjustment request greater than five percent on any item will be dis-allowed. The County reserves the right to negotiate lower pricing based on market research information or other factors that influence price.

It is the bidder's responsibility to request any pricing adjustment under this provision. The bidder's request for adjustment must be submitted to the County's Internal Services Department for review no more than 90 days or less than 45 days prior to expiration of the then current contract period. The County reserves the right to reject any price adjustments submitted by the bidder

2.5 "EQUAL" PRODUCT

Unless otherwise specified, the mention of a particular manufacturer's brand name or style number in the specifications does not imply that this particular product is the only one that will be considered for purchase. The reference is intended solely to designate the style, color and type or quality of merchandise that will be acceptable.

The determination as to whether any alternate product is or is not equal shall be made solely by Miami-Dade County and such determination shall be final and binding upon all bidders. Miami-Dade County reserves the right to request and review additional information and samples to make such a determination.

2.6 PURCHASE OF OTHER ITEMS

While the County has listed all major items within this solicitation which are utilized by County department in conjunction with their operations, there may be similar items that must be purchased by the County during the term of this contract. Under these circumstances, a representative of Internal Services Department, Procurement Management Section will contact the awarded bidder to obtain a price quote. Award of these items will be made as described in paragraph 2.3. In cases where a product has been awarded and additional sizes, colors or services are required by the County, the bidder awarded the item shall be solicited for the new requirement. The County retains the right to reject any quote received and purchase the item through other means.

2.7 SAMPLES

Samples may be required from bidders being considered for award, if so they shall be submitted within seven (7) calendar days of request. Samples supplied are to be indicative of the garments proposed in the bid. Where a proposed garment deviates from the sample provided, such deviation must be clearly stated. Samples must be identified with bidder name, manufacturer name and model, style number and bid item number. Samples will be carefully examined as to color, design, tailoring, workmanship and compliance to specifications. Samples are to be provided at no cost to the County. Unsuccessful bidder(s) desiring the return of their samples after award may request them. The cost of returning such samples will be borne by the bidder. Samples not returned to the bidder shall be disposed of by the County within thirty days of the contracts award.
